Dear Brothers and Sisters in Christ,

Greetings in the Name of our Lord, Jesus Christ, the One who Was and Is and Is To Come!

For many years the MN South District has provided Program Subsidy to University Lutheran Chapel to assist us in our mission of bringing the Gospel to the University of Minnesota, Twin Cities campus. We know at times, especially in light of the high demand for mission dollars and reduced giving, it has been a challenge to provide Program Subsidy to us and the many other important missions of the Church. We thank you, therefore, for the support that has been given to our work through Program Subsidies.

It is with great rejoicing, and a little bit of trepidation, that we write to you to inform you that the Voters of University Lutheran Chapel have voted to request that the MN South District not give our congregation any Program Subsidy for the year 2011. By the grace of God we feel that we are in a strong enough position to do without this subsidy, so that the money may be used to support and further other missions of the Church which could really use the help of the District at this time.

We continue to be thankful for the many ways in which the MN South District and her many congregations support our work, not the least of which are the continued use of the campus property and the many prayers offered up on our behalf. May our Lord continue to bless the work of the Gospel on our campus and in all of the many places where His mission is taking place.

In Christ Jesus, and to the Glory of His Name alone,
